Admission Guideline

After completion of 10+2 in science stream, one may eligible for getting admission into D.Pharm course as per the guideline of State Medical Faculty of West Bengal (SMFWB).

Only SMFWB recognized Board/Council passed out students will be treated as valid students and allowed for admission into the D.Pharm Course.

Two types of admission procedure(s) are available, one is through online Counselling and another is direct admission at the college office.
